## Job Description

**Position Title:** Intensive Case Management Program CW  
**Reports to:** ECDC/ACC DC Metro Resettlement Program Manager  
**Status:** Full -Time  
**Location:** Arlington VA

**Job Summary:** This position's focus is the provision of intensive case management services to eligible refugees, asylees, SIVs, Cuban/Haitian entrants, victims of trafficking, and secondary migrant. The intensive case manager will help these newcomers who have resided in the U.S. 60 months or less and require assisting in integration and achieving self-sufficiency to adapt more quickly and easily to a new culture. The intensive case manager will help clients learn how to access services to manage their conditions, learn discipline and responsibility in order to achieve economic and personal self-sufficiency.

## Key Responsibilities:

1. Oversee case intensive management for incoming community member (in the categories specified above) in order to provide systematic, coordinated, and timely service delivery that address community member needs holistically and contributes cultural adjustment and self-sufficiency, including:
  - Follow established eligibility criteria; identifying needs; developing service plans; providing general and mental health counseling referrals and other assistance; tracking clients progress and conducting case closures; and assessing program effectiveness.
  - Make appropriate referrals to social service agencies, community resources and other organizations according to program guidelines such as Food Stamp, filing for disability and age related SSI, Medicaid and specialty housing, ESL and other training programs, employment services, school enrollments, etc.
  - Provide transportation assistance to and mediation at doctor's appointments and emergency room visits.
  - Helping clients with medical paperwork management and record keeping.
  - Train participants on navigating the healthcare system on their own including making appointments and communicating pertinent information to physicians.
  - Help participant obtain citizenship and secure long term SSI.
  - Resolving eviction notices with landlords; connecting participants with community emergency rental assistance.
  - Assist other agency staff in targeting clients with acute barriers to be matched with volunteers for extra adjustment support.
  - Utilize a collaborative strategy with outside partners and organizations to address clients' needs for intensive services such as mental health, developmental and physical disability services.
  - Confer with medical service providers on ways to tailor their services, information, classes, routine procedures and systems to be more usable and beneficial to clients.
  - Provide one-on-one and group socio-cultural orientation and crisis intervention on such topics as maintaining a safe, clean home; health; shopping; budgeting, and other relevant topics.
  - Run Cultural Orientation trainings.
  - Provide (access to) interpretation and translation services in refugee languages.
  - Document each community member's case through agency forms and case notes, indicating all contacts made with and on behalf of community members, in order to provide internal and external evaluations of program accomplishments.
  - Conduct home visits and provide assessment of client's current living situation. Document findings in client's case files.
2. Assist with management of medical health needs for clients with escalated health concerns including mental health issues, developmentally and physically disabled clients.
3. Attend weekly staff meetings with supervisor and report on ongoing service delivery, outcomes and escalated issues.
4. Perform other tasks as assigned by supervisor
